Subject: Family Assistance

Good morning,

I met this family yesterday morning, they are sleeping in the district in an orange tent. The last location of their encampment 1323 Highland (Sizzler). I would like to see if we can get a program to help them. I bought them breakfast at jack in the box. I advised them, I will try to get them some help. They don't have a contact number, but I gave them a business card and advised them to follow up with me in regards to the program information. They are a nice family.
